

**Role:** PDI Technician

**Reports into:** Workshop Manager

**Salary:** Competitive

**Hours:** Monday to Friday 8.00am to 5.00pm

**Location:** Pembroke Dock

Genpower is the exclusive distributor for Hyundai Power Products for the UK and Ireland. Due to continued expansion, we are looking for PDI Technician to join our team.

This is a hands on role which will involve conducting pre-delivery inspections on diesel and petrol generators, garden machinery and power equipment. Basic mechanical knowledge will be paramount and the successful applicant will have the opportunity long-term to build upon their skillset working within our main workshop.

### **Main responsibilities:**

- To conduct Pre-Delivery Inspections on a variety of power equipment including generators, pressure washers, compressors and garden machinery.
- To complete basic repair work and modifications as required.
- To work to strict deadlines in line with business requirements.
- To apply documented procedures and policies within all aspects of work.
- To complete all relevant documentation as required.
- To adhere to all relevant Health, Safety and Environment policies, procedures and legislation.
- To maintain work area and tools for cleanliness and proper operation.
- To contribute to good housekeeping routines.
- To undertake quality checks and inspections.
- To contribute to the effective operation of the business.
- To carry out additional work within their skill competence as required.

### **Requirements:**

- Mechanical skills (essential).
- Electrical skills (highly desirable).
- Able to communicate clearly.
- Demonstrates high professional standards.
- Practical and hands-on approach.
- Punctual, reliable and trustworthy.
- Good attention to detail.
- Ability to work under pressure and to strict deadlines.
- Proactive, enthusiastic and self-motivated.
- Ability to understand instruction and work unsupervised.
- Works safely and in line with all policies.
- Willing to learn and develop knowledge.
- Good IT skills.

### **What is in it for you?**

In return you will receive a competitive salary and optional benefits including:

- Perkbox
- Private health cover.
- Increased holiday allowance with service.

# HYUNDAI

- Employer contribution pension scheme.
- Working pattern – Monday to Friday, 8am to 5pm. Hours may vary during peak periods to meet the needs of the business.

Genpower provides huge scope for career progression due to our continued growth and success of our team.

**If this is a role you could make a difference in then please apply with CV and Cover Letter outlining your suitability.**
